FOR IMMEDIATE RELEASE

August 16, 2021

August Summer Drive-In Movie Night at the Douglas County Museum

(Douglas County, Ore.) The Douglas County Board of Commissioners would like to remind our residents about the final family-friendly, outdoor summer drive-in movie night at the Douglas County Museum taking place this weekend. The second outdoor, drive-in movie night of the summer will take place on **Saturday, August 21, 2021**, in the museum back-parking lot. They will be featuring the 2020 DreamWorks Animation/Universal Pictures release, "**The Croods: A New Age**" (PG). The Douglas County Museum is located at 123 Museum Drive in Roseburg, Oregon (I-5, Exit 123). Gates will open at 7:00 pm and the movies will start at dusk. As an added bonus, there will be a free snack box for all children attending, and families can get a complimentary one-year Douglas County Museum membership certificate just for attending the family-friendly summer drive-in movie night.

Movie Synopsis: Still searching for a place to settle down after the cataclysmic events of *The Croods* (2013), the overprotective prehistoric patriarch, Grug, leads his family to the great unknown. Hoping for the best in an increasingly dangerous world, while trying to come to terms with Eep and Guy's budding romance, Grug stumbles upon a secluded Eden of plenty, containing everything that they have been seeking. However, there is a catch. This verdant heaven on Earth is already occupied by the significantly more evolved Bettermans: Phil, Hope, and their daughter, Dawn. Now, as tensions boil over between the antagonistic clans, a new menace threatens the future of both families. Can the Croods and the Bettermans put aside their differences to fight the common enemy, and live to tell the tale?

The free drive-in movie nights were made possible through a grant the Douglas County Museum received earlier this month from the K-12 Summer Learning Fund of The Oregon Community Foundation (OCF). So far the grant has been used to facilitate the Museum's 2021 Camp Umpqua - Junior Youth Summer Program and for the Wheels 'n Reels drive-in movie nights. The OCF puts donated money to work in Oregon by dispersing more than \$100 million in grants and scholarships annually. For nearly 45 years, OCF grantmaking, research, advocacy and community-advised solutions have helped individuals, families, businesses and organizations create charitable funds to help improve the lives of Oregonians. The impactful giving of time, talent and resources from many generous Oregonians helps to create these grant opportunities. The OCF makes grants available through an application process that involves local citizens in the review and evaluation process. Grant application materials, as well as individuals or businesses interested in establishing a fund can visit www.oregoncf.org for more information.

For more information, please contact the Douglas County Museum at (541) 957-7007.
