## **\*\*\* ROAD CONSTRUCTION NOTICE \*\*\* OLD HWY 99 SOUTH – DILLARD HWY**

(Douglas County, Ore.) – Douglas County Public Works Department (DCPW) via our contractor, Knife River will be performing road construction work on Old Hwy 99 South (aka Dillard Hwy and Country Road #387) between Brockway Road and NE Dole Road (MP 1.89 to MP 5.83) near Winston, Oregon. The project will begin on Monday, September 20, 2021, and is expected to be completed in mid-October 2021. As with any construction project, unforeseen delays due to weather, equipment and material availability could extend the anticipated construction dates.

The road repair work will require periodic lane closures along the construction route during day light hours only. DCPW will provide reader boards with advance warning notices, as well as barricades with traffic delineation to notify the motoring public of the lane closures for the project.

Safety is always a priority for the motoring public, as well as for our road construction crews, we are asking motorists to use caution as they travel in the area and to seek alternate routes whenever possible. Please follow and obey all posted signs, warnings and flagging instructions. For more information, please contact Douglas County Public Works Department at (541) 440-4481.
