

DOUGLAS COUNTY BOARD OF COMMISSIONERS

TIM FREEMAN

TOM KRESS

CHRIS BOICE

1036 SE Douglas Ave., Room 217 → Roseburg, Oregon 97470

FOR IMMEDIATE RELEASE – WEDNESDAY, MARCH 2, 2022

DOUGLAS COUNTY COVID-19 WEEKLY UPDATE

(Douglas County, Ore.) DOUGLAS COUNTY COVID-19 UPDATE #671

WEEKLY RECAP – THURSDAY, FEBRUARY 24, 2022 - WEDNESDAY, MARCH 2, 2022			
Total Number of New Local COVID-19 Cases* Reported for the Week	Total Number of People w/ Positive PCR or Antigen Test Results Reported for the Week	Total Number of New Presumptives Reported for the Week	Total Number of COVID-19 Related Deaths Reported for the Week
161	148	13	4

*Our COVID quick look includes the total number of new cases in Douglas County for the week, which combines people with positive test results and presumptives for the previous week.

Douglas County, OR - COVID-19 – Seven Day Case Update Chart†							
Date	Thursday, February 24, 2022	Friday, February 25, 2022	Saturday, February 26, 2022	Sunday, February 27, 2022	Monday, February 28, 2022	Tuesday, March 1, 2022	Wednesday, March 2, 2022
Total COVID-19 Cases to Date	19,316	19,351	19,380	19,392	19,396	19,438	19,451
People w/ Positive PCR or Antigen Test Results	18,429	18,462	18,485	18,497	18,501	18,538	18,551
Presumptives	887	889	895	895	895	900	900
Total Currently Hospitalized	19	19	15	15	15	15	14
Total Hospitalized Patients NOT Fully Vaccinated	13 of the 19	13 of the 19	11 of the 15	11 of the 15	11 of the 15	12 of the 15	11 of the 14
Total COVID-19 Related Deaths	365	365	366	368	368	368	368

†Our COVID case update chart includes the total number of cases reported in Douglas County since the beginning of the pandemic in our county on March 8, 2020. The chart illustrates the combination of residents with positive test results and confirmed presumptives, as well as the breakout of each of those. There will be times when a presumptive will move to a positive test result, and our total case number will not change because the case has already been counted in our over-all total. We follow the CDC definition for fully vaccinated and up-to-date, which states that a fully vaccinated person is someone who has received both doses of a two-dose COVID-19 vaccine, or one dose of a single-dose COVID-19 vaccine and at least 14 days have passed since the individual's final dose. Up-to-date means they have completed the full series of the COVID-19 vaccine, and if eligible they have also gotten their booster, or if they are fully vaccinated, but not yet eligible for a booster.

DOUGLAS COUNTY COVID-19 WEEKLY UPDATES WILL COME TO AN END NEXT WEEK

As the 1374 proverb, which is said to be credited to Geoffrey Chaucer, so eloquently states, “**All good things must come to an end,**” so too is the fate of our renowned and nationally recognized Douglas County COVID-19 Updates. Next week, on Tuesday, March 8, 2022, we will pass the two year mark since the first positive case of COVID-19 was identified in Douglas County. March 8, 2020 also marks the anniversary of our first Douglas County COVID-19 update. **Today, Wednesday, March 2, 2022, we are releasing our 671st Douglas County COVID-19 update.** Next week, on Wednesday, March 9, 2022, we will release our 672nd and final Douglas County COVID-19 update to the citizens of Douglas County. So, it is fitting that we mark our two year anniversary with some closure. But, with our closure announcement we also want to mark this date with tremendous amount of thanks, hope, faith, freedom and a nod to the dawning of our recovery from this two plus year pandemic emergency.

Since the very beginning of the pandemic, Douglas County Commissioners, Tim Freeman, Chris Boice and Tom Kress made our COVID response the priority in Douglas County. They established an Emergency COVID Command Center. They invited local agencies to join our efforts, thus creating the Douglas County COVID-19 Response Team (DCCRT)

→ Information (541) 672-3311

and over the last two years have exceeded the goals and objectives set forth nearly 730 days ago. As a part of the original mission statement for the DCCRT, the Commissioners established five incident objectives, which included a very important communication component. By almost every standard, our Douglas County COVID Joint Information Team has exceeded in our quest to help keep our citizens informed in a clear, concise and consistent manner.

Commissioners Five Incident Objectives established for our local COVID Response:

1. **Minimize loss of life of for Douglas County citizens due to the COVID-19 virus through education, mitigation and containment.**
2. **Protect Medical System from being overwhelmed with COVID-19 Cases by coordinating long term strategic response plans and identifying local thresholds with appropriate local response**
3. **Ensure safety of all health care providers by facilitating the acquisition and distribution of available PPE by utilizing local, state and federal resources.**
4. **Ensure appropriate, timely and coordinated communications to cooperators and the public.**
5. **Support operational needs by leveraging available Douglas County resources.**

Our announcement to end our updates comes on the heels of the last variant surge, a definitive decline in cases locally, regionally and nationally, as well as the announcements from the State about the lifting of face coverings for indoor settings and schools (latest date is set for Friday, March 11, 2022 at 11:59 pm).

AVIVA HEALTH HAS REOPENED THEIR DRIVE-THROUGH COVID VACCINE, BOOSTER AND TESTING CLINIC TO WALK-INS. VACCINES AVAILABLE ON SATURDAYS THROUGH MARCH

Shared from [Aviva Health](#). Aviva Health reopened their COVID-19 clinics to vaccinations, boosters, and testing for walk-ins on Wednesday, February 22, 2022! Additionally, leisure testing is again available at their drive-thru clinic. Also, in light of the OHA closing their drive-through COVID-19 vaccine clinic in Roseburg on Sunday, February 27, 2022, Aviva is

also offering COVID-19 vaccines and boosters, as well as other vaccines on Saturdays starting on Saturday, March 5, 2022 and through the month of March. They look forward to serving you!

COVID TESTING: Tests are offered on a walk-in basis or patients can self-schedule an appointment. Aviva Health offers COVID-19 testing for symptomatic or exposed individuals at no or low cost (insurance will be billed). Aviva Health also offers rapid and PCR testing for leisure purposes (travel, special-event attendance, etc.) at their drive-through COVID clinic located at 4221 NE Stephens Street, Suite 101A in Roseburg. The COVID clinic is open Monday through Friday, from 8:30 am to 11:30 am and 1:00 pm to 4:30 pm. Rapid tests are \$60, and PCR tests are \$35. You can self-schedule your testing appointment by calling (541) 492-2067 or go online at www.aviva.health/covid-19-resources/. Walk ins are also welcome.

COVID VACCINE:** **Vaccinations are offered on a walk-in basis or patients can self-schedule an appointment.**

Aviva Health continues to offer free drive-through COVID-19 vaccination services to patients and non-patients by self-scheduling an appointment or on a walk-in basis at their drive-through vaccine clinic located at 4221 NE Stephens Street, Suite 101A in Roseburg. The vaccine clinic is open Monday through Friday, from 8:30 am to 11:30 am and 1:00 pm to 4:30 pm. They will also be open on Saturdays during the month of March from 10:00 am to 5:00 pm. Patients must be Douglas County residents. You can self-schedule your vaccine appointment by calling (541) 492-2067 or go online at www.aviva.health/covid-19-resources/. Walk ins are also welcome. Vaccinations are also available on a limited basis, by appointment only at Aviva Health's outlying clinics in North County, Sutherlin, Glide and Myrtle Creek. People seeking vaccinations at their outlying clinics should call (541) 672-9596, to determine availability.

COVID-19 BOOSTER VACCINES:** **Boosters are offered on a walk-in basis or patients can self-schedule an appointment.**

Aviva Health is offering the Pfizer and Moderna COVID-19 boosters to certain groups of people by self-scheduling an appointment or on a walk-in basis, at its vaccination clinic located at 4221 NE Stephens Street, Suite 101A in Roseburg. The vaccine clinic is open Monday through Friday, from 8:30 am to 11:30 am and 1:00 pm to 4:30 pm. They will also be open on Saturdays during the month of March from 10:00 am to 5:00 pm. You can self-schedule your booster appointment by calling (541) 492-2067 or go online at www.aviva.health/covid-19-resources/. Walk ins are also welcome.

DOUGLAS COUNTY BOARD OF COMMISSIONERS

TIM FREEMAN

TOM KRESS

CHRIS BOICE

1036 SE Douglas Ave., Room 217 → Roseburg, Oregon 97470

REMINDER: LOWER UMPQUA HOSPITAL CONTINUES TO OFFER A COVID-19 VACCINE CALL CENTER AND WILL RESUME THEIR WEEKLY COVID-19 VACCINE CLINIC THIS WEEK

LOWER UMPQUA HOSPITAL DISTRICT COVID-19 VACCINES

When: Fridays

From: 12:00 p.m. to 2:00 p.m.

Where: Reedsport Medical Clinic

385 Ranch Rd.

Offering Pfizer and Moderna
No Appointment Necessary
Ages 12+

For ages 5-11, call 541-271-0105
to schedule a pediatric dose.

Shared from [Lower Umpqua Hospital District](#). Lower Umpqua Hospital District (LUHD) continues to offer a COVID-19 Vaccine Call Center for COVID-19 vaccine information in the Reedsport area. For ages 12 to adult call (541) 271-2175 or for ages call (541) 271-0105, Monday through Friday from 9 am to 4 pm.

Also, in light of the closure of the Reedsport drive-through FEMA COVID-19 vaccine clinic, LUHD announced that they will be resuming their weekly vaccination program this week. The daily FEMA COVID-19 vaccine clinic, that was located at the Douglas County Courthouse Annex, opened on Saturday, January 29, 2022, and closed up operations on Saturday, February 19, 2022. During that time, LUHD had suspended their weekly vaccine clinics. They now plan to resume their COVID-19 vaccine program, which is open every Friday from 12:00 pm – 2:00 pm at the Reedsport Medical Center, located at 385 Ranch Road in Reedsport. The clinic

will reopen starting this Friday, February 25, 2022. Vaccines are available to those ages 12+. They are being offered on a walk-in basis, so no appointments are necessary. For ages children, 5-11, please call (541) 271-0105 to schedule a pediatric dose.

OHA/FEMA CLOSE DRIVE-THROUGH COVID VACCINE CLINICS IN ROSEBURG AND REEDSPORT

OHA ceased operations for their Roseburg COVID-19 drive-thru vaccination, booster and testing clinic that was located at 1530 NE Diamond Lake Blvd., (the corner of NE Fowler Street and Diamond Lake Blvd.), in downtown Roseburg on **Sunday, February 27, 2022**. **A total of 2,272 vaccines and 627 tests were administered at the Roseburg drive-through clinic.** The clinic was open seven days a week from January 5, 2022 through February 27, 2022. If you have questions about the clinic, please contact OHA directly at (866) 698-6155 or log onto: www.oregon.gov/OHA.

OHA/FEMA ceased operations for their Reedsport COVID-19 drive-thru vaccination and booster clinic that was located at the Douglas County Courthouse Annex in Reedsport on **Sunday, February 19, 2022**. **A total of 228 vaccines were administered at the Reedsport drive-through clinic.** The Reedsport vaccine clinic was open seven days a week from January 29, 2022 through February 19, 2022. If you have questions about OHA run vaccine clinics, please contact OHA directly at (866) 698-6155 or log onto: www.oregon.gov/OHA or call the VIVE NW support line at (844) 291-4970.

COVID-19 VACCINES, BOOSTER DOSES AND TESTING WIDELY AVAILABLE IN DOUGLAS COUNTY

COVID-19 vaccines, booster doses and testing are widely available around Douglas County. Check with your primary or local health care provider, AVIVA Health, Umpqua Health, Lower Umpqua Hospital, urgent care facilities, local pharmacies or the Roseburg VA for availability, appointments or walk-in opportunities.

1. **Our Local COVID Hotline is Still Active and Available.** Our local COVID-19 hotline at (541) 464-6550 has been in operation since March of 2020. They are ready and available to help answer your COVID-19 related questions about vaccine availability, how to isolate or quarantine, provide referrals for care and when/where to get tested. The hotline is open 7 days a week from 8:00 am to 5:00 pm. Just a reminder that the hotline does not provide medical

advice. If you need medical attention or advice, please contact your health care provider or a local urgent care facility.

2. **DPHN's EPI-Team is Still on the Job.** As they have since the beginning, Douglas Public Health Network (DPHN), our local public health contractor works under the Douglas County Commissioners, Tim Freeman, Tom Kress and Chris Boice, who still retain the Public Health Authority for the County. DPHN will continue to conduct local case investigations; provide case management and education; offer support services to isolated cases and maintain their tracking and reporting systems.
3. **We Encourage Everyone To Get Your Initial Series, And If Eligible, Get A Booster.** If you had a previous infection, a dose of the mRNA vaccine will increase your immunity. COVID-19 vaccines, boosters and tests are available from many primary or local health care providers, AVIVA Health locations, Umpqua Health offices, Lower Umpqua Hospital, urgent care facilities, local pharmacies and the Roseburg VA. Please call or go online to learn more about vaccine and testing availability, appointments or walk-in opportunities.
4. **Please Help to Protect our Emergency Systems.** Please do not call 911 or the hospital to ask COVID-19 questions. We need our emergency systems to continue to function and be available for those that need it most. If you are not seriously ill, but need medical advice or want testing, please contact your health care provider. If you don't have a provider, please call our local COVID Hotline at (541) 464-6550 and they will try to help connect you with a local health care provider.

WE CONTINUE TO ENCOURAGE RESIDENTS TO STAY HEALTHY

Our team continues encourage everyone, for the sake of our local businesses, services, economy and neighbors, to make the best decision for yourself and your family in order protect those around you from contracting or spreading the coronavirus disease. We have provided education on implementing the widely proven and age-old safety measures to prevent the spread of respiratory illnesses, including COVID-19 and influenza. Our team encourages you to assess your risk and comfort level, and make the best choice for you and your family.

1. Please stay home from work, school, shopping or running errands if you are sick.
2. Please consider getting vaccinated, if you have not gotten the shot yet. Get the booster dose too!
3. Cover your coughs and sneezes with a tissue, and then throw the tissue in the trash.
4. Wash your hands often with soap and water for at least 20 seconds.
5. If soap and water are not readily available, use an alcohol-based hand sanitizer that contains at least 60% alcohol.
6. Avoid close contact with people who are sick.
7. Avoid touching your eyes, nose and mouth with unwashed hands.
8. Never visit a hospital or long-term-care facility if you have a fever or cough due to an illness.
9. Clean and disinfect surfaces that are frequently touched.
10. Delay or limit travel to COVID hot spots or highly populated areas.
11. Take care of your health overall. Staying current on your vaccinations, including flu vaccine, eating well and exercising all help your body stay resilient.

DOUGLAS COUNTY HOSPITALIZED PATIENT UPDATE

As of today, Wednesday, March 2, 2022, there are **FOURTEEN (14)** Douglas County COVID-19 patients that are being hospitalized, twelve locally and two out-of-the-area. We continue to work with Mercy to provide information on our COVID patients being hospitalized locally, this last week they averaged **2** COVID-19 positive patients a day in the Intensive Care Unit (ICU) and **1** COVID-19 positive patients a day in the Progressive Care Unit (PCU). This last week an average of **9%** of their total hospitalized patients were COVID positive. Of our hospitalized patients today, **ELEVEN (11)** of the 14 patients are not fully vaccinated.

NEWLY REPORTED COVID-19 RELATED DEATHS OF DOUGLAS COUNTY RESIDENTS

Douglas County Public Health has confirmed the deaths of more Douglas County residents related to the COVID-19 virus. Our team confirms and then reports all COVID-19 related deaths in the order that they are received. Our **three hundred and sixty-sixth** COVID-19 related death was an 81-year-old woman who was diagnosed with COVID-19 on Friday, February 11, 2022 and passed away on Thursday, February 24, 2022. She was not vaccinated. Our **three hundred and sixty-seventh** COVID-19 related death was an 85-year-old woman who was diagnosed and passed away on with COVID-19 on Friday, February 25, 2022. She was not vaccinated. Our **three hundred and sixty-eighth** COVID-19 related death was a 70-year-old woman who was diagnosed with COVID-19 on Monday, February 21, 2022 and passed away on Friday, February 25, 2022. She was not vaccinated. In the interest of privacy for the loved ones of these residents, and as our ethical responsibility to follow all medical laws, no additional information will be released. Douglas

DOUGLAS COUNTY BOARD OF COMMISSIONERS

TIM FREEMAN

TOM KRESS

CHRIS BOICE

1036 SE Douglas Ave., Room 217 → Roseburg, Oregon 97470

County Public Health officials thoroughly scrutinize and investigate all deaths, and review all medical records to make sure that everyone we report has met the requirements for a COVID related death, as per the [Oregon Disease Investigative Guidelines for COVID-19](#). Each death related to COVID-19 is painful for all Douglas County residents, and a sad reminder of the terrible impact COVID-19 has had in our local communities. The Douglas County Board of Commissioners, Dr. Dannenhoffer, DPHN and our COVID-19 Communications Team extend our heartfelt condolences and sympathies to all family members, friends, relatives, co-workers and community members of those who have passed after contracting this deadly virus.

NOTIFICATION OF DELAYED COVID-19 RELATED DEATHS OF DOUGLAS COUNTY RESIDENTS

Douglas County Public Health has been receiving delayed reports of COVID-19 related deaths of Douglas County residents from Oregon Vital Records, hospice/long-term care facilities and out-of-state institutions. Our team confirms and then reports all COVID-19 related deaths in the order that they are received. Our **three hundred and sixty-fifth** COVID-19 related death was a 75-year-old woman who was diagnosed with COVID-19 on Wednesday, December 8, 2021 and passed away on Friday, January 21, 2022. She was fully vaccinated, but not up-to-date. We were notified by hospice of the COVID-19 related death on Wednesday, February 23, 2022. In the interest of privacy for the loved ones of this resident, and as our ethical responsibility to follow all medical laws, no additional information will be released. Douglas County Public Health officials thoroughly scrutinize and investigate all deaths, and review all medical records to make sure that everyone we report has met the requirements for a COVID related death, as per the [Oregon Disease Investigative Guidelines for COVID-19](#). Each death related to COVID-19 is painful for all Douglas County residents, and a sad reminder of the terrible impact COVID-19 has had in our local communities. The Douglas County Board of Commissioners, Dr. Dannenhoffer, DPHN and our COVID-19 Communications Team extend our heartfelt condolences and sympathies to all family members, friends, relatives, co-workers and community members of those who have passed after contracting this deadly virus.

COVID-19 VACCINATION WEEKLY UPDATE – WEEK ENDING SATURDAY, FEBRUARY 26, 2022

As in most of the country, the vaccine pace continued to slow in the last week in Douglas County, with 380 doses given, despite vaccine clinics being open daily. This suggests that nearly all who want a vaccine or booster have gotten one. Although many (196) were boosters, there were 83 first time doses of the vaccine. The remaining vaccines are second and third non-booster doses. We continue to compare and track our numbers using CDC's vaccine data, as they more accurately represent our vaccination numbers. The data includes the Federally administered doses given at the Roseburg VA, that Oregon's ALERT System only recently started including in their reports. Our current numbers are as follows:

- **For those 18 years old and above in Douglas County who are fully vaccinated** (as calculated by the CDC) is currently, we are at **61.6%**. As almost all of the hospitalizations and deaths are in this age group, it is a measure of vaccine efficiency to prevent hospitalizations.
- **The percent of the ENTIRE population in Douglas County** who are fully vaccinated (as calculated by the CDC) is currently **52.2%**. This percentage, plus the number of natural infections gives an idea of the level of community immunity.
- **Those Douglas County residents who have received a booster** (as calculated by the CDC) have the best vaccine protection. For the entire population **43.1%** are vaccinated and boosted and for those over 65, **64%** are fully vaccinated and boosted.

The Omicron surge is now ebbing. We are seeing that vaccination plus boosting has provided excellent protection against hospitalization and death. Among our recent deaths, almost all were not up to date on their COVID-19 vaccine. It is not too late to get a vaccine. Please get your initial series, and if eligible, get a booster. If you had a previous infection, a dose of the mRNA vaccine will increase your immunity. Vaccines are also available from Aviva Health locations, Lower

Umpqua Hospital, local health care providers, urgent care facilities and local pharmacies. Please make sure to call ahead or make an appointment online for locations that offer the vaccine.

REMINDER: DOUGLAS COUNTY COVID-19 UPDATE IS A WEEKLY PUBLICATION

As a reminder, as of Wednesday, December 1, 2021, we shifted to a weekly release for our Douglas County COVID-19 Update. But, our team will continue to post our [COVID-19 Seven Day Case Update Chart](#), as well as our updated information list of [Local COVID-19 Resources](#) to the county website (www.co.douglas.or.us) on weekdays (except for holidays and observed holidays).

STATE AND FEDERAL COVID-19 INFORMATION

The Federal and State Governments, and their agencies are the ones that set policy, issue mandates and provide the guidelines for a state of emergency like the current COVID pandemic. For information log onto [U.S. Center for Disease Control \(CDC\)](#) and the [Oregon Health Authority \(OHA\)](#). If you have questions about the current guidelines, mandates or the recommendations, please contact them directly for more information. OHA posts their daily updates at www.healthoregon.org/coronavirus. Please do not call 911, Douglas County Sheriff's Office or Douglas County Offices to report issues with the State of Oregon, OHA or the Governor's mandates.

ACCESS TO LOCAL COVID-19 RESOURCES

 **LOCAL ONLINE ACCESS TO UPDATES:** Stay up to date with accurate and local COVID-19 information by visiting the [Douglas County Government Website](#) or [DCGOV Facebook page](#) or the [DPHN Website](#) or [DPHN Facebook page](#).

 **FREE LOCAL E-NEWSLETTER SUBSCRIPTION:** You can also sign up for the free Douglas County e-Newsletter that publishes and sends out the update to our subscription base. Log onto: www.co.douglas.or.us.

 **DOUGLAS COUNTY COVID-19 HOTLINE (541) 464-6550:** Your Douglas County Board of Commissioners and DPHN continue to offer a local resource hotline for Douglas County residents for COVID-19. The hotline provides answers to frequently asked questions, basic COVID information and referrals to local resources and services. Our local hotline number is (541) 464-6550 and is staffed from 8:00 am to 5:00 pm, 7 days a week.

 **DPHN VACCINE INFORMATION:** Want more information on the vaccines? Log onto: <http://DougCoVaccine.com>.

 **DPHN COVID-19 INFORMATIONAL VIDEOS:** Check out [DPHN's YouTube Channel](#) for locally produced informational videos about COVID-19, featuring Dr. Bob Dannenhoffer, our Douglas County Public Health Officer.

**LOWER UMPQUA HOSPITAL DISTRICT
COVID-19 VACCINES**

When: Fridays
From: 12:00 p.m. to 2:00 p.m.
Where: Reedsport Medical Clinic
385 Ranch Rd.

Offering Pfizer and Moderna
No Appointment Necessary
Ages 12+

For ages 5-11, call 541-271-0105
to schedule a pediatric dose.

 **LOWER UMPQUA HOSPITAL DISTRICT: UPDATED: 2-22-22** Lower Umpqua Hospital District continues to offer a COVID-19 Vaccine Call Center for COVID-19 vaccine information in the Reedsport area. For ages 12 to adult call (541) 271-2175 or for ages call (541) 271-0105, Monday through Friday from 9 am to 4 pm. Also, in light of the closure of the Reedsport drive-through FEMA COVID-19 vaccine clinic, LUHD announced that they will be resuming their weekly vaccination program. The FEMA COVID-19 Vaccine Clinic, that was located at the Douglas County Courthouse Annex, opened on Saturday, January 29, 2022, and was open daily until it closed on Saturday, February 19, 2022. During that time, LUHD suspended their weekly vaccine clinics. They plan to resume their COVID-19 vaccines on Fridays from 12:00 pm – 2:00 pm at the Reedsport Medical Center, located at 385 Ranch Road in Reedsport. Vaccines are available to those ages 12+. They are being offered on a walk-in basis, so no appointments are necessary. For ages

children, 5-11, please call (541) 271-0105 to schedule a pediatric dose.

 **AVIVA HEALTH: UPDATED 3-01-22**

DOUGLAS COUNTY BOARD OF COMMISSIONERS

TIM FREEMAN

TOM KRESS

CHRIS BOICE

1036 SE Douglas Ave., Room 217 → Roseburg, Oregon 97470

Shared from [Aviva Health](#). Aviva Health reopened their COVID-19 clinics to vaccinations, boosters, and testing for walk-ins on Wednesday, February 22, 2022! Additionally, leisure testing is again available at their drive-thru clinic. Also, in light of the OHA closing their drive-through COVID-19 vaccine clinic in Roseburg on Sunday, February 27, 2022, Aviva is also offering COVID-19 vaccines and boosters, as well as other vaccines on Saturdays starting on Saturday, March 5, 2022 and through the month of March. They look forward to serving you!

COVID TESTING: Tests are offered on a walk-in basis or patients can self-schedule an appointment. Aviva Health offers COVID-19 testing for symptomatic or exposed individuals at no or low cost (insurance will be billed). Aviva Health also offers rapid and PCR testing for leisure purposes (travel, special-event attendance, etc.) at their drive-through COVID clinic located at 4221 NE Stephens Street, Suite 101A in Roseburg. employees of the Cow Creek Tribe by calling (541) 672-8533 and pressing #4 for the Canyonville Clinic to schedule a COVID-19 testing appointment.

 **ROSEBURG VA HEALTH CARE SYSTEM**: Veterans can set up an appointment COVID-19 vaccine, by calling the Roseburg VAMC at **(541) 440-1000**.

 **DOUGLAS COUNTY SENIOR SERVICES** can help local seniors with resource questions, as well as helping to locate testing and vaccination sites in your local area, call **(541) 440-3677**.

****Please note for residents under the age of 14, this will require a parent or guardian to accompany them and give written consent for the vaccine. Under Oregon law, minors 15 years of age and older may consent to medical treatment, including vaccinations, when provided by a physician, physician assistant, naturopath, nurse practitioner, dentist or optometrist, or other professionals operating under the license of these providers; however, families are encouraged to make decisions about vaccinations together.*
