(Douglas County, Ore.) The Douglas County Board of Commissioners would like to remind citizens that government offices in the Douglas County Courthouse, located at 1036 SE Douglas Avenue in Roseburg, as well as the Douglas County Justice Building, Douglas County Courthouse Annex in Reedsport, Douglas County Museum, Douglas County Landfill and Transfer Station s, Douglas County Fairgrounds and All External Douglas County Government Offices will be closed to the public on Monday, February 15, 2021, in observance of Presidents' Day.

As always, even when Douglas County government offices are closed, many officials and public employees are still working. Our Sheriff's Deputies, 911 communications and DCSO staff will continue to provide law enforcement protection and emergency assistance for our residents. If you have an emergency, call 9-1-1. If you need to reach dispatch for a non-emergency, call the Douglas County Sheriff's Office non-emergency number at (541) 440-4471.

The Douglas County COVID-19 Response Team, Dr. Bob Dannenhoffer, our Public Health Officer, DPHN staff, the DCCRT's Joint Information Center staff, as well as the Douglas County Commissioners will continue to work on the COVID-19 response regardless of the holiday.

Washington's Birthday is a United States federal holiday celebrated on the third Monday of February, in accordance with the Uniform Federal Holidays Act of 1971, to honor of George Washington, the first President of the United States, who was born on February 22, 1732. The day is now widely referred to as Presidents' Day, and is often an occasion to honor all who have served as president, not just George Washington.

The Douglas County Board of Commissioners understand that all of our holiday and memorial days will be decidedly different during this worldwide pandemic, but we hope you will join us in honoring this day, while continuing to make safe and healthy choices, and taking measures to protect those you love in order to keep Douglas County a wonderful place to live, work and play.
